Information about the service

What is the service?

Aussie Broadband's OptiComm fibre broadband service uses OptiComm equipment to deliver fibre broadband to your premises. These services provide typical evening speeds during busy hours as listed in the table above.

Where is it available?

This service is available anywhere where OptiComm has been rolled out - for more details please visit our website

What do I need to access the service?

- You will need specific OptiComm equipment installed at your property, if you do not have this equipment installed already you will need to contact OptiComm on 1300 137 800 to have it installed before signing up with Aussie Broadband.
- You will also need a modem/router that is compatible with your Fibre to the Premise (FTTP) service (see "equipment fees").

What is included?

Features of this service include:

- Five email addresses
- Email spam protection
- Australian-based phone support

Minimum term of the service

This service is month-to-month with no fixed term.

Do I have to bundle anything with the service?

Bundling is not compulsory. You can opt to bundle your home phone or any of our bolt-on features like night owl (no data metering between 1-7am), download-only metering or a static IP.

Qualifications

Please note that this service may be restricted and/or cancelled if:

- You fail to pay your bill.
- You are abusive to our staff,
- You breach our terms and conditions or our fair use policy, available at aussiebroadband.com.au/legal.

Critical Information Summary

- OptiComm broadband

(higher tier plans)

Information about pricing

Excess usage

There are no excess usage charges.

Set-up fee

There is a set-up fee of \$109 for this service.

Equipment fees

You don't have to purchase an OptiComm-ready modem/router from Aussie Broadband, but we can provide one if you prefer: modem/router cost starts from \$179 plus postage. Postage costs are \$15 for standard mail, \$20 for express mail or \$25 courier post.

New development fee

OptiComm may charge a fee for deploying network infrastructure to new premises or dwellings, the actual fee payable is determined on a case-by-case basis. This fee may be applied to each new premises requiring an OptiComm connection. This includes, but is not limited to, new dwellings, lots under reconstruction, and new buildings requiring a new mailing address. This charge of \$300 will be payable directly to OptiComm before you commence signup with us or you can opt to pay it through us to pass on.

Connection charge

A charge of \$330 may also be payable to OptiComm by you property is classed as OptiComm Class 1 - 3 or \$550 if it is classed as Class 5. We will inform you upon signup if this fee may apply.

Other possible costs

- If you bundle your broadband service with a phone service or any of our bolt-on features, your monthly costs may be different. For full terms and conditions on a phone service, please see the relevant critical information summary and for details on bolt-on features, speak to our staff.
- You can change your plan at any time for no fee. If upgrading your plan before the end of your monthly billing cycle, you will need to pay the difference between your current plan and new plan. If you wish to downgrade your plan, please note we do not prorata refunds on plan downgrades.
- OptiComm will charge a \$97 fee if you miss an appointment that has been booked and confirmed for installation or fault reasons

Note: All costs mentioned on this critical information summary are inclusive of GST.

Exit fee

There are no exit fees for this service.

Other information
