Aussie Broadband nbn[®] Enterprise Ethernet Partner Rebate Promotion – Terms & Conditions

Aussie Broadband are offering a promotion to eligible Partner customers for new nbn[®] Enterprise Ethernet connections completed within the promotional period. Terms and Conditions of this promotion include:

- The promotion applies to Aussie Broadband channel partners with a signed agreement only.
- The promotional period commences on 01/07/2023 and ends at 11:59pm AEDT on 31/03/2024, if the following steps are completed:
 - Eligible services must be ordered and acknowledged by nbn[®] between 01/07/2023 and 11:59pm AEDT on 31/12/2023.
 - Orders must be active and completed by 11:59pm AEDT on 31/03/2024.
- The promotion cannot be redeemed outside of the promotional period.
- The promotion cannot be applied retrospectively.
- A promotional offer cannot be used in conjunction with any other offer.
- The promotional offer cannot be transferred to another service, person, or party.
- The promotional offer cannot be redeemed for cash.
- The promotional offer cannot be used for hardware.
- Supported plans include nbn[®] Enterprise Ethernet 100Mbps, 250Mbps, 500Mbps & 1000Mbps.
- Discounts will be applied automatically to customer bills for the relevant period between 01/07/2023 and ends at 11:59pm AEDT on 31/03/2024
- The promotional offer is based on nbn[®] Enterprise Ethernet service plan speed:
 - 100Mbps, 250Mbps, and 500Mbps plan = \$500 rebate
 - 1000Mbps plan = \$1200 rebate
- Actual wholesale speeds capped at 952Mbps as prescribed by nbn[®] due to many factors including equipment and network limitations not operated by Aussie Broadband.
- Customers should refer to general terms and conditions for specific products and services.
- Customers currently on Financial Hardship arrangements are not eligible for this promotion.
- Aussie Broadband reserves the right, in our sole discretion, to remove your access to this program if you breach our fair and acceptable use policy, or we have otherwise formed the view that you are scamming this program.
- Existing nbn[®] Enterprise Ethernet services will not be eligible to receive the Aussie Broadband nbn[®] Enterprise Ethernet Partner Rebate offer.
- Only new nbn[®] Enterprise Ethernet services are eligible for the promotion.
- Not available at all premises. All prices subject to change without notice. Actual speeds may vary due to external factors including inbuilding wiring
- To be eligible for the rebate promotion, the relevant service must pass a service qualification check with nbn[®] and not be at a location where a TC2 or Enterprise Ethernet service has been active between 1st of September 2020 and 31st of March 2024.
- The rebate promotion is subject to a maximum cap of 350 Premises per End User to new nbn[®] Enterprise Ethernet services.
- If a rebate promotion is provided for an nbn[®] Enterprise Ethernet service, and that service is downgraded or disconnected within 90 days of activation of the service, Aussie Broadband will claw back the full amount of the rebate promotion.
- Rebate promotion payment amount to be paid within 2 months after the activation of the new eligible service(s) or upon payment from nbn[®].
- All rebate promotions include GST.
- Promotional payments will be applied to your existing Aussie Broadband Partner account via the commercial credit process.
- Please note this rebate promotion is subject to change, for full terms and conditions please contact your Aussie Broadband Partner Manager.

These terms and conditions have been updated to clarify that orders placed and acknowledged by nbn[®] before 11:59pm AEDT on 31/12/2023, and completed before 11:59pm AEDT on 31/03/2024 will be eligible for the promotion.
